

## **Ilford Repair Café – computers**

**Is your computer **poorly**? Is your computer **running too slowly**?**

**Want to find out about upgrades and extending your computer's life?**

**At Ilford Repair café we try to increase the life of products, save landfill, save money and learn in a community setting. Find us at Lab Central, Redbridge Central Library, Ilford on alternate Saturdays 2-3.45. Check socials or our website for the dates we are open.**

### **What we try to help with**

Software problems, installation / reinstallation of OS (Operating System), Hardware Upgrades, Data back-up / migration under 50Gb (Requires Storage), Virus removal, SSD Upgrade

### **What we can't do**

Passwords (unless you can prove to use that you are the owner), Liquid Damage, data recovery, Licence Activation, Hardware / Logic Board problems, Screen Display Damage, Mobile Phones, Tablets, Liquid Damage

### **How to book your computer in to Ilford Repair Cafe**

- You will need to book in for this help as we have limited volunteers who can do this. Email [ilfordtransition@gmail.com](mailto:ilfordtransition@gmail.com) or Text/Whatsapp 07957 534908 and we will decide if we think we can help.
- Often it will need 2 visits, as we can diagnose at the first session, and you may need to get some parts and return later. We don't carry parts.
- Please bring the Power Supply (charger) and all relevant accessories parts with you on the day.
